GOVERNMENT OF GOA

Department of Civil Supplies and Consumer Affairs

Notification

D CS/S-2/FPS- Guidelines/08

In view of Section 3 of the Essential Commodities Act, 1955 read with Clause 7 of the Public Distribution System (Control) Order, 2001, following revised guidelines for opening Fair Price Shops are hereby notified:—

REVISED GUIDELINES FOR OPENING FAIR PRICE SHOPS

1. (i) There shall be a Fair Price Shop within a radius of 3 kms. per every 2000 card population in rural areas and 4000 card population units in urban areas except in five Municipal bodies i.e. Margao, Mapusa, Mormugao, Panaji and Ponda

where the card population shall be 3000 instead of 4000.

(ii) An adult should be taken as one unit and a child below 12 years as half unit.

(iii) However, Government may relax this norm of card population, *only in public interest.*

Procedure

2. The procedure for opening a new Fair Price Shop shall be as specified under:—

(i) Taluka Mamlatdar shall conduct inquiry and submit the report about viability of running a Fair Price Shop in the locality.

(ii) On receipt of viability report from the Mamlatdar, the Department shall examine the same and convey approval for initiating process for opening of new Fair Price Shop in the locality.

(iii) The Mamlatdar of Taluka shall thereafter give a wide publicity like publishing in local papers, both in English and in one of the

regional languages inviting applications from interested parties for opening of New Fair Price Shop in the locality.

(iv) Applications received shall be inquired into by the Mamlatdar and a brief report shall be submitted to the Department, alongwith the recommendations.

(v) Report so received shall be examined and submitted to the Government for conveying approval for allotment of Fair Price Shop.

(vi) Only after conveying of Government approval, the allottee shall deposit the requisite fees/deposits whereupon Authorisation shall be issued for running a Fair Price Shop as required under the Goa, Daman and Diu Controlled Commodities (Regulation of Distribution) Order, 1966.

Eligibility

3 (i) Fair Price Shop should be allotted to only those persons who do not have any other member of his family running a Fair Price Shop in any part of this territory.

(ii) Parents, spouse, unmarried children and unmarried brothers/sisters living in the same undivided family will be considered as family members.

4 (i) The educated unemployed shall be in the age group of 18 to 35 years and should be on the live register of Employment Exchange for a minimum period of 2 years.

(ii) Besides, such educated unemployed shall also be completely free from encumbrance of studies.

5 (i) Majority of the members of the Co-operative Society of educated unemployed should necessarily required to be educated unemployed and should be on the live register of Employment Exchange for a minimum period of 2 years.

(ii) All the members of such society should be within the age group of 18 to 35 years.

6 The educated unemployed shall satisfy the following conditions:—

Department of Water Resources

Office of the Chief Engineer

Notification

4/4/EO-WRD/450

Sub:- Policy on Rainwater Harvesting**1.0. General:**

Government has adopted a policy on roof-top rainwater harvesting. This notification gives details for the guidance of all the concerned departments for the implementation of the policy and for the information of the public. The policy will become effective from the date of its publication in the Official Gazette.

2.0. Definition and scope:

For the purpose of the policy, rain-water harvesting shall be defined as the water management technique and practice of collecting rainwater falling on the roof of house/building or groups of houses/buildings located on a single plot of land and storing the collected water in underground or overground storage container/ tanks/cisterns for continuous use/consumption by the users/occupants of the houses/buildings from whose roofs the water has been so collected. The Policy does not include within its purview rain water harvesting for groundwater recharge. It shall be implemented by the Water Resources Department and shall apply to the whole State.

3.0. Mandatory provisions of the Policy:

Rainwater harvesting shall be mandatory for the following groups of users:

(i) Residential complexes including apartments on a plot area of 2000 sq. mts. and above.

(ii) Commercial complexes on plot areas of 1500 sq. mts. and above.

(iii) Industrial units on plot areas of 10,000 sq. mts. and above.

However, all the users of these groups who incorporate Sewage Treatment Plants (STP) or Waste Water Recycling processes in their premises shall be exempted from the mandatory inclusion

of rainwater harvesting structures in their building.

4.0. Incentives for adopting rainwater harvesting.**4.1. Subsidies:**

Subsidies on a reimbursement basis shall be provided to the different user groups at the rates mentioned below:-

(i) Individual households/residential houses:

Upto 50% of the cost incurred on incorporating the rainwater harvesting system or Rs. 50,000-00 (Rupees fifty thousand only), whichever is less.

(ii) Residential complexes and apartments buildings:

Cost of rainwater harvesting structures in such establishments shall be subsidized upto 50% of the cost of the structures or Rs. 2.5 lakh, whichever is less.

(iii) For Commercial complexes and hospitality businesses:

Subsidies for this group of users shall be up to 50% of the cost of the rainwater harvesting structures of Rs. 2.50 lakh, whichever is less.

The subsidies as fixed above shall be granted only on a reimbursement basis.

4.2. Annual award for the best rainwater harvesting practices:

The Water Resources Department will institute an annual award carrying a citation and cash prize for the best rain water harvesting practices in the State. Details of the award such as the amount of the cash prize, the last date for submission of application every year etc., will be published subsequently.

5.0. Amendment of Bye-laws:

All the authorities/departments/agencies in the State issuing licenses/permissions for building construction shall take immediate action to amend the building bye-laws presently in force to bring them into conformity with this policy. Similarly all other authorities issuing licenses/clearances etc. shall also take action to bring their rules/

/regulations/procedures/guidelines etc. for issuing licenses etc. into conformity with this policy.

6.0. *Nodal Officers:*

For the purpose of releasing subsidy, the Executive Engineer, Works Division-I, Panaji and the Executive Engineer, Works Division-II, Gogol, Margao, shall be the Nodal Officers for North Goa and South Goa respectively.

7.0. *Procedure for releasing subsidies:*

Subsidies under this policy shall be released only on a reimbursement basis. Procedure for claiming/releasing subsidy shall be as under:

As Nodal Officers for North Goa and South Goa respectively, the Executive Engineer, Works Division-I, Panaji and the Executive Engineer, Works Division-II, Gogol, Margao shall be responsible for releasing the subsidy.

Alongwith the building plans submitted to the licensing authorities at the time of seeking building licenses, the building owners/builders shall also submit the detailed designs, drawings, plans and estimates for the rainwater harvesting structures proposed to be incorporated in the buildings. Besides the layout of the main building, the site plan shall also show the layout of the rainwater harvesting structures. Estimates for the rainwater harvesting structures shall be based on the current Goa Schedules of rates. Market rates supported with appropriate quotations shall be adopted for items of works not available in the Goa Schedules of Rates. All the designs, plans, drawings and estimates for the rainwater harvesting structures shall be prepared and signed by a registered Civil Engineer.

The licensing authority shall forward such plans and estimates for the rainwater harvesting

structures to the Nodal Officers, North and South i.e. the Executive Engineer, Works Division-I or II, Water Resources Department, as the case may be. The Nodal Officer shall examine the plans, designs, drawings and estimates for their technical soundness and inspect the site if necessary. If in his opinion the designs, drawings, etc. require amendments or corrections, he shall communicate the same to the licensing authority who shall then obtain the required amendments from the applicant. On satisfying himself about the soundness of the plans, etc., the Nodal Officer shall convey his approval to the licensing authority.

On obtaining the building completion certificate from the licensing authority, the owner/builder shall apply to the concerned Nodal Officer for claiming reimbursement of subsidy on the expenditure incurred by him on the construction of the rainwater harvesting structure. If the final structure as actually constructed differs in any respect from the original approved plans, the owner shall submit approved revised plans and estimates to the Nodal Officer. The Nodal Officer shall then inspect the structure, measure and record the dimensions of the rainwater harvesting structures. He shall then submit the plans, estimates, measurements, etc. alongwith a report to the Superintending Engineer, Circle-I, Water Resources Department. The later shall then inspect the site and issue a Completion Certificate after satisfying himself that the rainwater harvesting structure has been completed to approved plans. The Nodal Officer shall then release the subsidy to the owner/builder.

By order and in the name of the Governor
of Goa.

S. T. Nadkarni, Chief Engineer & ex officio
Additional Secretary.

Panaji, 16th October, 2008.
