Notification
7-7(46) AHVS

The following Scheme approved by the Government is published for general information:—

“Dairy Equipment Scheme”

Aims and objectives.— (1) To assist the farmers to procure dairy equipments.

(2) To reduce the practical difficulties of the farmers to purchase the equipments needed for dairy farming.

(3) To give a boost to the dairy industry—

Procedure.— The farmer should apply on a prescribed application form as at Annexure A and submit it through the local Veterinary Officer/Assistant Director.
The concerned Officer shall scrutinize the application and forward it to the Directorate for further needful.

On approval of application, the beneficiary shall submit the original purchase receipts or bills from authorized dealer/supplier within 30 days to the local Veterinary Officer/Assistant Director, for onward transmission to the Directorate.

On receiving the documents completed in all respects the Department will release the subsidy.

The concerned Officer shall maintain a register of dead stock of all the equipments purchased under the Scheme.

Conditions for release of subsidy.— Subsidy will be available for new equipments/implements for a new dairy Unit provided the farmer has not claimed the subsidy for the items purchased earlier under any other scheme.

The beneficiary shall sign a Bond herebelow with the Department before the release of subsidy.

Subsidy on the total implements shall be limited to Rs. 1.5 lakhs only.

Subsidy will be released only if the farmer has the approval of the Directorate for permission to purchase the equipments.

Financial liabilities.— Sufficient budget provision has been made in the Budget 2011-12.

By order and in the name of the Governor of Goa.

Siddhivinayak Surendra Naik, Director & ex officio Joint Secretary (AH).

Panaji, 7th July, 2011.

The following Scheme approved by the Government is published for general information:—

“Small Scale Poultry Farming”

Introduction.— There is a very high demand of Poultry Eggs & Poultry Meat in Goa at all given time since it is highly nutritious and socially accepted by major sections of the society. At present high poultry demand of Goa is met by supply from neighbouring States. Goa State had 800 - 900 poultry farms and it was providing lot of employment and the livelihood to many small scale farmers and by virtue of it, the State was almost self-sufficient for poultry needs and providing organic manure needed for agriculture. In recent times the Goa small scale poultry farmers could not sustain the competition from neighbouring States poultry farmers by selling poultry products at lower rates. Goa poultry farmers’ face high input cost of poultry feed and cost of labour which is a major share in production cost in comparison to neighbouring States and cannot withstand the competition. Since last five years, Goa has witnessed a drastic reduction in number of poultry farms and 90% of local small scale poultry farmers were compelled to close down.

Government is offering encouragement in the form of cash subsidy to boost and supplement agricultural income of the farmers. This Scheme will indirectly generate organic manure needed by the agriculture farmers.

2. Aim/Purpose.— To encourage the farmers to take up poultry farming and supplement agriculture income of the farmers by increasing poultry products within the State of Goa.

3. Objectives.— (1) Farmers can get fresh chicken/eggs at any time.

(2) Farmers are given the choice of rearing broilers & layers.

(3) Farmers get supplementary income, nutritive diet without engaging additional labour.

(4) The proposed Scheme is a supplementary income Scheme.

4. Eligibility criteria.—

4.1 Scheme is open for any individual who is bonafide resident of Goa and rears poultry birds (broilers/layers) within the State of Goa only.

4.2 Person who has availed any other scheme of poultry production from the Department of A.H. & V.S. are entitled for claim under this Scheme.

4.3 Cage unit will be supplied to the beneficiary free of cost only when the birds are purchased by the farmer.

4.4 Farmers have to undergo a one day poultry farmer’s training at Government Poultry Farm, Ela/Farmers’ Training Centre, Curti, Ponda/Hospital/Dispensary level.

5. Type of Birds Purchase.— Poultry farmers can purchase day old chicks (broiler/layer) or grown up pullets. The birds should be available for inspection by the departmental representative on demand.

6. Farmer’s/Beneficiary’s procedure for claim.— 6.1 Farmer should intimate immediately the purchase of birds to the Officer-in-charge of his jurisdiction by submitting an application in Annexure-A with a photo-copy of the bill of birds purchased and attested by the Officer.

(a) Claim application should be filled in duplicate with the documents for claim as one copy will be retained at the local area office.

(b) Claim application form should be accompanied with a photograph of the applicant.

(c) Original bill of birds purchased.
6.2 The beneficiary shall also execute an undertaking on Rs. 20/- stamp paper as in Annexure-B herein.

7. Departmental/Official procedures.— 7.1 Local Assistant Director/Veterinary Officer will also maintain a Cash Subsidy Claim Register in the prescribed format as Annexure-C of all the beneficiaries in his/her jurisdiction. The compiled monthly report will be submitted to the Director, A.H. & V.S., indicating the total number of beneficiaries applied for this Scheme, total No. of birds purchased, total amount of subsidy claimed, number of cages supplied.

7.2 Local Area Assistant Director/Veterinary Officer will forward all the applications of purchases made in previous month duly completed in all respect to the Director, A.H. & V.S. before 05th of every month with a certificate as in Annexure-D herein and maintain the record of subsidy paid to beneficiary in his/her jurisdiction.

8. Subsidy entitlement.— 8.1 The beneficiary must rear a minimum of 100 birds to be entitled for cash subsidy of Rs. 1,500/-. In case of broiler birds, the farmer must make provision for replacement of stock at least every 2 ½ months.

8.2 Every beneficiary will be provided with a cage unit worth Rs. 12,000/-. 

8.3 The cage unit supplied will accommodate 100 adult birds (broiler/layer) and will have the facility of egg catcher, manual feeders and waterers.

8.4 Cash subsidy paid by the Government is independent of market price of birds/day old chicks and will not have any relation to the fluctuation of market rate of purchased birds by the farmer at any time of the year.

8.5 Payment of subsidy will be done by ECS/Core banking mode only.

Financial liabilities.— There is sufficient budget provision in the Budget 2011-12.

By order and in the name of the Governor of Goa.

Siddhivinayak Surendra Naik, Director & ex officio Joint Secretary (AH).

Panaji, 7th July, 2011.

The following Scheme approved by the Government is published for general information:-

“Pashupalan Scheme”

Breeding and Rearing of Local Cows/Calves Scheme

Introduction.— The Livestock Economy penetrates sections of rural society both vertically and laterally, supposedly more equitably than land holdings.

Considerably, there have been dramatic favourable changes in livestock population and composition over the past decades, but overall impact on poor has not been much.

Goa has its own Breeding Policy and accordingly animals are to be bred using Jersey semen. However, the local cattle owners find it very difficult to stall feed their unproductive indigenous
cattle. This leads to the animals roaming in the streets looking for grazing patches or feeding from the dustbins as scavenger cows. Deaths in these cows are reported due to consumption of plastic bags over a period of time, which is total loss to the farmer and the State. Unlike stray dogs, the stray cattle have owners, who due to their own financial circumstances cannot stall feed the unproductive animals, as it is a further burden to their pocket. The promotion of dairy husbandry through cross-breeding of low productive local cattle is therefore to be given priority as most of the villagers own a few cattle. This programme will ensure techno-economic viability and prosperity to the small farmers. Local cattle breeding was initiated by the Government of Goa in early 70’s, but was not popular due to the high feeding cost during stall feeding.

Considering this scenario, further research and technology transfer are needed in areas of genetic improvement, reproductive efficiency, and nutrition and health care, all these areas are equally important to improve the overall quantity and quality of milk production. Genetic improvement in this direction can further promote economic and eco-friendly dairy husbandry, which the small farmers are looking forward for their sustainable livelihood. There should be no limitation to the number of animals covered by individual farmer or organisation.

Objectives:—

The main objectives of the Scheme are as follows:

- To encourage the breeding of local cows.
- To encourage rearing of calves from birth to 27 months.
- To encourage and uplift the S.C. and S.T. community.
- To improve & sustain the productivity of local livestock through use of Artificial Insemination practices.
- To assist the farmer financially in stall feeding the local animals.
- To indirectly reduce the menace of stray cattle.
- To help the farmers to rear the local crossbred cattle from 16 months to 27 months in continuation of the existing calf rearing schemes.

Eligibility:—

- All farmers availing of the Artificial Insemination Facility for local cattle and registered with the local Government Veterinary Services.
- N.G.Os and other organisations availing the A.I. to local cows.
- All farmers irrespective of their financial status.
- All farmers having calves upto 15 months under Special Calf Rearing Scheme covered.

Expectation on implementation of the Scheme:—

- This programme will eliminate stray cattle and conserve community or individual paddy field, crops, plantations and forests from being destroyed by grazing of stray cattle.
• Door to door service will help them to avail of timely services and to develop confidence in adoption of the technology.

• Promotion of healthy crossbred cattle.

• Unproductive local cattle population will be reduced.

• Non-dependence on neighbouring States by beneficiaries for their requirement of crossbred animals under various Government Schemes.

• Increase in the number of crossbred cows thereby giving a fillip to the yield of milk in Goa.

Procedure:—

The Scheme consists of two parts. The 1st part consists of three phases. The first phase deals with the Artificial Insemination of the local cows. The second phase is the confirmation of pregnancy and feeding incentive. The third phase deals with rearing of the calf from birth to 15 months. The 2nd part of Scheme deals with the rearing of local crossbred calves/Heifers (from 16 months to 27 months) which have been covered upto 15 months under Special Calf Rearing Scheme.

Part One

A. Phase 1

1. No documents are required to be submitted by the farmer.

2. The farmer should register all his local (non-descript) cattle, with the local Veterinary Dispensary or Veterinary Hospital free of cost.

3. The farmer should intimate the local Veterinary Centre whenever the animal shows heat symptoms. On insemination, the farmer is given a cash incentive of Rs. 500/- (Rupees Five hundred only) per A.I. for 1st A.I. and Rs. 200/- (Rupees Two hundred only) for 2nd A.I., which will be directly deposited in his bank account on submission of records by the Veterinary Officer/Assistant Director of the area in Form No. I (Part-1).

4. The cow has to be kept tied on the day of A.I. and two days subsequent to the heat, so as to avoid natural service by local bull.

5. The farmer is entitled to this benefit only for one A.I. per cycle.

6. No additional cash will be given for repeat of A.I. for the same heat.

B. Phase 2

1. The animals under the Scheme will be microchipped in the third month after confirmation of pregnancy.

2. The local Veterinary Doctor will then recommend the case to Head Office for feed incentive in Form II (Part-1).

3. On confirmation of pregnancy, the farmer is entitled for incentive from the 4th month onwards on feed, fodder & miscellaneous expenditure amounting Rs. 2000/- (Rupees Two thousand only) per month, on submission of monthly progress report in Form III (Part 1) by area V.O./A.D.
4. To avail the benefits of the Scheme, the farmer should purchase the feed from a dealer having printed receipt of bills. He should keep the animal tied and feed the animal.

5. Feed allowance will be discontinued in case of disposal of the animal, abortion/death of animal and non-stall feeding of animals.

C. Phase 3

1. On birth of a calf, an amount of Rs. 4000/- will be given as incentive to cover the farmer’s initial financial expenditure on receipt of intimation of birth of calf in Form No. IV (Part -1) from the farmer through the area officer.

2. The calf will be given feed allowance from birth to 27 months.

3. Calf born should be registered immediately on birth at the nearest Veterinary Dispensary/Hospital in Form No. V (Part-1).

4. The feeding allowance is as follows—Calf feeding allowance will be provided to all the calves that have attained the weight of at least 30 kgs. at 3 months.

5. Calves under the Scheme should gain at least 30 kg. per quarter.

6. To avail the benefits of the Scheme, the farmer should purchase the feed from a dealer having printed receipt of bills. He should keep the animal tied and feed the animal.

7. The farmers will be provided subsidy @ 50% of the anticipated expenditure.

8. In case of S.C./S.T. farmers, 100% subsidy will be provided.

9. Herebelow is chart showing anticipated expenditure and subsidy component:

<table>
<thead>
<tr>
<th>Age of calf</th>
<th>Anticipated expenditure in Rs.</th>
<th>Subsidy component in Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 – 3 months</td>
<td>7,500/-</td>
<td>3,750/-</td>
</tr>
<tr>
<td>4 – 6 months</td>
<td>3,500/-</td>
<td>1,750/-</td>
</tr>
<tr>
<td>7 – 9 months</td>
<td>4,500/-</td>
<td>2,250/-</td>
</tr>
<tr>
<td>10 – 12 months</td>
<td>4,500/-</td>
<td>2,250/-</td>
</tr>
<tr>
<td>13 – 15 months</td>
<td>6,400/-</td>
<td>3,200/-</td>
</tr>
<tr>
<td>16 – 18 months</td>
<td>6,400/-</td>
<td>3,200/-</td>
</tr>
<tr>
<td>19 – 21 months</td>
<td>6,400/-</td>
<td>3,200/-</td>
</tr>
<tr>
<td>22 – 24 months</td>
<td>6,400/-</td>
<td>3,200/-</td>
</tr>
<tr>
<td>25 – 27 months</td>
<td>7,200/-</td>
<td>3,600/-</td>
</tr>
</tbody>
</table>

Part Two

1. The calves covered under the “Special Calf Rearing Scheme” for 15 months will be eligible for facility under this Scheme from the 16th month, provided the heifer has also obtained a weight gain of more than 180 kgs.

2. The local Veterinary Officer/Assistant Director may be contacted to enroll their heifers under the Scheme in Form No. VI (Part -2).

3. To avail the benefits of the Scheme, the farmer should purchase the feed from a dealer having printed receipt of bills. He should keep the animal tied and feed the animal.
4. Feed allowance will be as follows on condition that the heifer gains 20 kgs. per quarter:

<table>
<thead>
<tr>
<th>Age of heifer</th>
<th>Anticipated expenditure in Rs.</th>
<th>Subsidy component in Rs.</th>
</tr>
</thead>
<tbody>
<tr>
<td>16–18 months</td>
<td>6,300/-</td>
<td>3,150/-</td>
</tr>
<tr>
<td>19–21 months</td>
<td>6,300/-</td>
<td>3,150/-</td>
</tr>
<tr>
<td>22–24 months</td>
<td>6,300/-</td>
<td>3,150/-</td>
</tr>
<tr>
<td>25–27 months</td>
<td>7,200/-</td>
<td>3,600/-</td>
</tr>
</tbody>
</table>

5. In case of S.C./S.T. beneficiaries subsidy component is 100%.

6. Feed allowance will be discontinued in case of sale/death of animal.

**Guidelines for release of Subsidy:**

1. Calf should attain the desired weight as prescribed in the Scheme.

2. Beneficiary shall submit quarterly the original feed purchase bills for each quarter to the area V.O. or A.D.

3. Applicant should submit the xerox copy of his/her bank saving account number from any Nationalised or Co-operative Bank.

4. Subsidy amount will be directly credited to the beneficiary’s account after receiving the report from the area Veterinary Officer/Assistant Director in Form No. VII (Part 1/2) along with original feed bill duly certified.

**Target groups:**

The farmers owning local cattle are mainly from the rural sector. However, local animals in the urban areas will also be considered, and could be given priority so that the menace of stray cattle in urban areas could also be eliminated. Local animals reared by N.G.O’s or other organisations will also be considered for benefits. There shall be no discrimination against any farmer since one of the objective of the Scheme is to stop the nuisance of stray cattle, this can be achieved only if all local animals are netted into the Scheme irrespective of the financial background of the owner. Scheduled Caste and Scheduled Tribe families will be covered.

**Financial liabilities:**

There is sufficient budget provision in the Budget 2011-12.

By order and in the name of the Governor of Goa.

*Siddhivinayak Surendra Naik*, Director & ex officio Joint Secretary (AH).

GOVERNMENT OF INDIA
MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION
(Department of Consumer Affairs)
New Delhi, 30th March, 2011

Order

S.O.– In exercise of the powers conferred by section 3 of the Essential Commodities Act, 1955 (10 of 1955), the Central Government hereby makes the following Order further to amend the Removal of (Licensing Requirements, Stock Limits and Movement Restrictions) on Specified Foodstuffs Order, 2002, namely:—

1. (1) This Order may be called the Removal of (Licensing Requirements, Stock Limits and Movement Restrictions) on Specified Foodstuffs (Amendment) Order, 2011.

(2) It shall come into force on the 1st day of April, 2011.

2. In the Removal of (Licensing Requirements, Stock Limits and Movement Restrictions) on Specified Foodstuffs Order, 2002, after clause 6, the following clause shall be added, namely:—

"7(1) Except clauses 5 and 6, the provisions of this Order shall not apply to—

(i) pulses, paddy and rice for a period upto 30th September, 2011,

(ii) edible oils and edible oilseeds for a period upto 30th September, 2011, and

(iii) Sugar for a period upto 30th September, 2011,

in respect of the purchase, movement, sale, supply, distribution or storage for sale of these commodities:

Provided that nothing in this clause shall affect the transport, distribution or disposal of these commodities to places outside the State nor shall it be applicable to import of these commodities:

Provided further that the Central Government or the State Government may direct the importers to declare the receipts of stocks of these commodities and stocks retained by them.

(2) All other provisions of this Order shall continue to remain in force even during the period specified in sub-clause (i).

Explanation: If a wholesaler or retailer or dealer is able to demonstrate that part of his stocks in respect of pulses, paddy, rice, edible oils and edible oilseeds are sourced from imports, then, they shall be excluded for the purpose of calculation of stock limits".

3. The notifications of the Government of India in the Department of Consumer Affairs number S.O. 2361(E) dated 29th September, 2010 and S.O. 3060(E) dated 30th December, 2010, stand superseded, except as respects...
things done or omitted to be done before such supersession.

1. Aluminum Smelter.
2. Cement.
3. Chlor alkali.
4. Copper smelter.
5. Distillery including fermentation industry.
7. Fertilizer.
8. Iron and Steel (involving processing from ore/scrap/integrated steel plants).
9. Oil refinery (Mineral oil or Petro refineries).
11. Petro Chemicals (manufacture of & not merely use of as raw material).
12. Pharmaceuticals (basic) (excluding formulation).
13. Pulp & Paper (paper manufacturing with or without pulping).
14. Sugar (excluding Khandसari).
15. Tanneries.
17. Zinc smelter.

I. B. Industries manufacturing following products or carrying out following activities:

19. Anodizing.
20. Asbestos & Asbestos based industries.
21. Automobile manufacturing/Assembling (including paint shop).
22. Ayurvedic medicines involving fermentation, distillation etc.
23. Ceramic/Refractories.
24. Charcoal kiln.
25. Chemical, Petrochemical and Electro-chemicals including manufacture of acids such as Sulphuric acid, Nitric acid, Phosphoric acid etc.
27. Chlorine, Fluorine, Bromine, Iodine & their compounds.
28. Coke making, Coal liquefaction, Coal tar distillation or fuel gas making, Coal gasification.
31. Common Effluent Treatment Plant.
32. Construction of ships, barges, steel hull trawlers, dry docks etc.
33. Bulk cement terminals/depots.
34. Dry coal processing/mineral processing industries like ore sintering, pelletization etc.
35. Explosives including detonators, fuses etc.
36. Extraction of silver from photographic/X-ray chemicals.
37. Extraction of fish oil.
38. Fat liquor for leather.
39. Fermentation industry including manufacture of yeast, beer.
40. Ferro manganese, ferro molybdenum, ferro titanium, ferro boron.
41. Fire crackers.
42. Foundries or process involving foundry operation.
43. Glass and fibre glass production & processing (excluding moulding).
44. Glue & Gelatine.
45. Heavy Engineering (excluding assembly).
46. Hot-mix plants.
47. Hospitals and Pathological laboratory.
49. Incineration plants.
50. Industrial carbon including electrodes & graphite blocks, activated carbon, carbon black etc.
51. Industrial or inorganic gases namely:–
   (a) Chemical gases: acetylene, hydrogen, chlorine, fluorine, ammonia, sulphur dioxide, ethylene, hydrogen sulphide, phosphine.
   (b) Hydro carbon gases: methane, butane, ethane, propane.
52. Industry or process involving electro-plating operations.
53. Industry or process involving metal treatment or process such as pickling, paint stripping, heat treatment, phosphating or finishing, etc.
54. Inks (all types) and carbon paper.
55. Jetties, wharves, dry docks, loading facilities for iron or manganese ore, etc.
56. Lead reprocessing and manufacturing including lead smelting.
57. Lime manufacturing (excluding lime manufacturing by sea shell).
58. Manufacture of Lubricating oil, greases or petroleum based products.
60. Manufacture of printed circuit boards (LSE).
61. Milk processing or Dairy products (integrated project).
62. Mining of iron ore, manganese ore and/or bauxite.
63. Ore Beneficiation including dry screening plants/mobile screening plants/iron ore washing plants.
64. NPK Fertilizers and granulation.
66. Par boiled rice mills.
67. Paints & varnishes (excluding blending/mixing).
68. Petroleum products manufacturing and oil/crude oil/residues re-processing.
69. Phosphate rock processing plants.
70. Phosphorus and its compounds.
71. Pigments and intermediates.
72. Plaster of Paris items.
73. Ports and Harbours.
74. Potable Alcohol (IMFL) by distillation of Alcohol.
75. Power generating plants (excluding D.G. sets) using coal, naphtha, or other petroleum based products.
76. Process involving chlorinated hydro carbons.
77. Ready mix concrete plant.
78. Secondary production and/or industrial use of zinc, copper, nickel, lead or other heavy metals.
79. Barge and trawler breaking.
80. Silicon defoamer and Silicon emulsion.
81. Slaughter houses.
82. Steel and steel products including coke plants involving use of any of the equipments such as blast furnaces, open hearth furnace, induction furnace or arc furnace, rotary kiln (spindle iron plants) etc. or any of the operations or processes such as heat treatment, acid pickling, rolling or galvanizing etc.
83. Stone crushers.
84. Surgical and Medical products involving prophylactics and Latex (manufactured from basic raw materials).
85. Synthetic detergents and soaps (not covered under orange & green list).
86. Synthetic fibre including rayon, tyre cord, polyester filament yarn from basic raw materials.
87. Synthetic resins.
88. Synthetic rubber excluding moulding.
89. Tobacco products including cigarettes & tobacco processing.
90. Vegetable oils including solvent extracted oils, hydro-generated oils (excluding repacking and coconut oil extraction).
91. X-ray chemicals, colour paper developer, colour negative film developer, Depamer of
various grades, turkey red oil, Brightening agent, Calcium alkyl benzil sulphonate.

92. Yarn and textile processing involving scouring, bleaching, dyeing, printing or any effluent/emission generating process.

93. Manufacture of tyres, tubes & flaps etc. using natural and synthetic rubber.

II. LIST OF INDUSTRIES UNDER ‘ORANGE’ CATEGORY

1. Additive for concrete-waterproofing compounds and other similar compounds.
2. Assembling of automobiles excluding paint shops.
3. Automobile service stations including repairs and painting.
7. Brick from mining rejects.
9. Cashewnut processing plants (dry and wet process including roasting/cooking process and production of cashew shell nut liquid oil).
10. Cement clinker grinding units.
11. Cotton ginning, spinning and weaving.
12. Diamond tools, diamond stone cutting tools, circular saw blades and wire saw blades.
13. Distillery including blending and mixing (excluding fermentation industry).
14. Silica ramming mass, moulded coat.
15. Electrical/telephone cable including jelly filled cables & optical fibre cables.
16. Emulsifying catalyst.
17. Extraction of all types of oil excluding fish oil.
18. Fish processing and meat processing units.
19. Flour mills (excluding domestic Aatta Chakki).
20. Food additives, colours, essence, nutrients and flavours.
21. Food including fruits and vegetables processing (excluding repacking).
22. Footwear (Rubber & PVC).
23. Fragrances and industrial perfumes.
25. Handmade paper.
27. Ice cream making.
28. Imitation jewellery.
29. Industrial solvents, Industrial cold pretreatment chemicals.
30. Instant coffee/tea repacking including blending and mixing.
31. Laboratory chemicals involving distillation, purification process.
32. Laboratory wares.
33. Laterite, Granite or Basalt Quarries.
34. Laundries.
35. Lead-acid battery reconditioning/assembling.
36. Lithium sulphur dioxide cells/batteries assembly.
37. Lubricating oil, greases or petroleum based products by blending and mixing.
38. Malted food.
40. Manufacture, assembly & repairs of transformers using oil.
41. Manufacture of cosmetics and toiletries.
42. Manufacture of formulated synthetic detergent products.
43. Manufacture of mirror from sheet glass.
44. Manufacture of synthetic detergent intermediates (other than formulated synthetic detergent products).
45. Manufacture of soaps (process generating trade effluent).
46. Manufacture of tea cans by cutting, bending.
47. Manufacture of commercial vinegar (using acetic acid).
49. Manufacture of Welding flux.
50. Masala grinding.
51. Metal treatment or process involving surface coating, powder coating and paint baking (excluding electroplating & anodizing).
52. Mobile D.G. sets.
53. Mosquito coil.
54. Moulded fibre glass products including FRP vessels.
55. M.S., stainless steel fabrication, switches, electrical panels, workshops for grills gates etc. involving powder coating and/or painting.
56. Multilayered laminated collapsible tubes.
57. Natural stones and marble cutting and polishing.
58. Non-alcoholic beverages soft-drinks.
59. Operation of commercial passenger/tourist vessels, house boats, floating restaurant (excluding ferry boats).
60. Ophthalmic lenses.
63. Paint by mixing and blending process.
64. Paints re-packing.
65. Pesticides/Insecticides/Fungicides/Herbicides/Agro-chemical formulation.
66. Petroleum products/crude oil storage and transfer excluding cross country pipeline.
67. Pharmaceuticals formulations/diagnostic and laboratory reagents & kits, antiseptics and disinfectants).
68. Photographic film cutting and repacking.
69. Plywood and Board manufacturing.
70. Pre-boiled rice mills.
71. Pre-cast concrete products like pavers, block and other concrete products including electrical poles etc.
72. Plastic processed goods and goods manufactured from nylon, plastic, polyesters, PVC by process of moulding and/or extrusion including filaments and fibres.
73. Power looms/handlooms/narrow woven fabrics & elastic tapes (without dyeing & bleaching).
74. P P Caps, aluminum bottles including Non refillable closures, Pet Preforms.
75. Printed Aluminium Collapsible tubes/Coated/laminated flexible packaging material of aluminium foil & polyethylene.
76. Pulping and fermenting of coffee beans.
77. Pulverizing of minerals.
78. Repair and servicing of ships, barges, steel hull trawlers etc.
79. Research & Development Laboratories and Quality Control Laboratories.
80. Restaurants/Shacks.
81. Sanitary napkins & diapers.
82. Saw Mills.
83. Sewage treatment plants and/or DG sets for town/cities/township projects, residential complexes, shopping malls etc.
84. Shell Grit.
85. Surgical and medical products involving effluent/emission generating processes.
86. Toughening and moulding of glass.
87. Tyres and tubes (re-treading & moulding).
88. Viscosity index improver, sulphurized karanjia oil, malaria larvisidal oil additive, tackiness additive and other lube oil additives, including filtration of all types of oil.
89. Watch cases and bracelets.
90. Wax crayons, erasers, oil pastels.
91. Wire drawing (cold process) and bailing straps.
92. Zeolite molecular sieves.

III. LIST OF INDUSTRIES UNDER ‘GREEN’ CATEGORY

1. Agarbathi.
2. Apparel making.
3. Artificial implants.
4. Assembling of computer and computer peripherals.
5. Assembly of air coolers, conditioners and heaters.
6. Assembly of bicycles, baby carriage and other small non-motorised vehicles.
7. Atta-chakkies (Domestic and SSI Units).
8. Ayurvedic medicines and Vegetable/Herbal Extract (non-involving fermentation, distillation etc.).
10. Bamboo and cane products (only dry operations).
11. Block making for printing.
13. Candles.
14. Cardboard or corrugated box and paper products (Paper or pulp manufacturing excluded).
15. Carpentry (excluding saw mill).
17. Cashew kernel processing.
18. Cattle feed, poultry feed.
19. Chilling plants, cold storage and manufacture of ice.
22. Cotton and woolen hosiery (except dyeing).
23. Cutting and repacking of plain & printed aluminum foils and printed blister foils.
24. Digital Thermometer.
25. Electronics and Electrical equipments and/or appliances (assembly).
26. Fire extinguisher refills and servicing.
27. FRP doors, frames and industrial parts.
28. Furniture (wooden and steel) including crates, spools etc. (except M. S. furniture including powder coating & painting).
29. Gold and Silver smithy.
30. Gold and Silver thread zari work.
32. Handloom weaving.
33. Ice candies.
34. Industrial gases, namely; Air, Oxygen, Nitrogen, Argon, Helium, Carbon Dioxide, Nitrous Oxide.
35. Instant tea/coffee, coffee processing (excluding blending, mixing and repacking).
36. Insulation and other coated papers (Paper or pulp manufacturing excluded).
37. Khandsari sugar.
38. Leather footwear and leather Jobbing and machining.
39. Light engineering.
40. Manufacture of steel trunks and suit cases.
41. Manufacture of wines and country liquor by fermentation including blending, mixing and repacking.
42. Medical and surgical instruments.
43. Mild steel/aluminium fabrication, furniture without powder coating and or painting.
44. Musical instruments manufacturing.
45. Oil ginning/expelling (no hydrogenation/refining).
46. Optical frames.
47. Packaged water.
48. Packaging of Food including fruits & vegetables.
49. Paper pins and U-clips.
50. Photo-framing.
52. Leather products excluding tanning and hide processing.
53. Programming and Software development (where sewage treatment plant and or generator sets are established).
54. Repacking of coconut oil.
55. Mushroom Culture.
56. Rice hullors.
57. Ropes and cordages & Fishnets made from natural and synthetic yarns or fibres.
58. Rubber goods industry (SSE).
59. Scientific and mathematical instruments.
60. Shoe lace manufacturing.
61. Sports goods.
62. Steeping and processing of grains.
63. Supari (betel nut).
64. Tailoring/garment making.
65. Toys.
66. Wasting of used sand by hydraulic discharge.
67. Water softening and de-mineralized plants.
68. Writing instruments.

Note: Any industry/industrial activity, process or trades which do not fall under any of the above mentioned categories, the decision with regards to their categorization/classification, will be taken by the Goa State Pollution Control Board, from time to time when such need arises, either suo motu or on the specific request by the Industrial unit. Industrial unit concerned may apply to the Goa State Pollution Control Board in this respect for necessary action.

This issues with approval of the Government vide U. O. No. 103 dated 20th June, 2011.

By order and in the name of the Governor of Goa.

Michael M. D’Souza, Director & ex officio Joint Secretary (STE).

Saligao, 7th July, 2011.
Notification
5/20/87-STE/DIR/Part IV/440

In exercise of the powers conferred by sub-section 3(A) of section 12 of the Water (Prevention and Control of Pollution) Act, 1974 (Central Act 6 of 1974); the Goa State Pollution Control Board (GSPCB), with the approval of the Government of Goa and in supersession of the Notification No. 5/20/87-STE/Part III/395 dated 14th July, 2004 (published in Extraordinary, Official Gazette, Series I No. 17 dated 26th July, 2004) and Notification No. 5/20/87-STE/Part IV/1361 dated 26th March, 2007 (published in Official Gazette, Series I No. 1 dated 5th April, 2007); hereby makes the following rules to regulate the recruitment to various technical, scientific and other posts in the Goa State Pollution Control Board, namely:

1. **Short title, application and commencement.**— (1) These rules may be called the Goa State Pollution Control Board, Group 'A', 'B', 'C' and 'D' Posts, Recruitment Rules, 2011 (hereinafter referred to as ‘these rules’).

(2) They shall apply to the posts specified in the column (1) of the schedule to these rules (hereinafter called as the ‘said Schedule’).

(3) They shall come into force with immediate effect.

2. **Definitions.**— In these rules, unless the context otherwise required:— (a) “Act” means the Water (Prevention and Control of Pollution) Act, 1974 (Central Act 6 of 1974), as amended from time to time.

(b) “Appointing Authority” means the Authority notified in the Water (Prevention and Control of Pollution) Act, 1974 (Central Act 6 of 1974).

(c) “Board” means the Goa State Pollution Control Board established under the Water (Prevention and Control of Pollution) Act, 1974 (Central Act 6 of 1974).

(d) “Employee” means an employee appointed or deemed to have appointed by the Board under the Act.

3. **Number, classification and scale of pay.**— The number of posts, classification of the said posts and the scale of pay attached thereto shall be as specified in columns (2) to (5) of the said Schedule:

Provided that the Board with the prior approval of the Government may vary the number of posts in column (3) of the said Schedule from time to time subject to exigencies of work.

4. **Method of recruitment, age limit and other qualifications.**— The method of recruitment of the said posts, age limit, qualifications and other matters connected therewith shall be as specified in columns (6) to (13) of the said Schedule.

5. **Disqualification.**— No person who has entered into or contracted a marriage with a person having a spouse living or who, having a spouse living, has entered into or contracted a marriage with any person, shall be eligible for appointment to the service:

Provided that the Board may, if satisfied that such marriage is permissible under the personal law applicable to such person and the other party to the marriage and that there are other grounds for so doing, exempt any person from operation of this rule.

6. **Power to relax.**— Where, the Board is of the opinion that it is necessary or expedient so to do, it may, with prior approval of the Government, by order, and for reasons to be recorded in writing, relax any of the provisions of these rules with respect to any class or category of persons.

7. **Saving.**— Nothing in these rules shall affect reservation, relaxation of age limit and other concessions, required to be provided for Scheduled Castes, Scheduled Tribes, Other Backward Classes and other special categories of persons in accordance with the orders issued by the Government from time to time in that regard.

By order and in the name of Governor of Goa.

Sd/- (Michael M. D’Souza), Director & ex officio Joint Secretary (STE).

Saligao, 12th July, 2011.
