GOA HUMAN RIGHTS COMMISSION  
Panaji-Goa

Proceeding No. 250/2016

### **Inquiry Report**

The Complainant has approached this Commission complaining about the working

conditions of the police constabulary in the State of Goa. The Complainant has stated that the policemen are made to work for long hours which is taking toll on their personal lives. On account of long hours of work and related stress, lot of policemen are suffering from health problems like hypertension, diabetics and depression. The working and living condition of the staff of some Police Stations and barracks is inhuman which amounts to violation of their human rights.

2. Taking cognizance of the complaint, this Commission issued notices to (1) The Chief Secretary, Government of Goa, Secretariat, Porvorim -Goa/Respondent No. 1 and (2) the Director General of Police, Police Headquarters, Panaji-Goa/Respondent No. 2. Both the Respondents have filed their respective replies. The Respondent No. 1 in its reply has stated that in view of long hours of work and denial of facility of availing public holidays and weekly offs, the non-gazetted personnel of police are granted compensatory leave upto a maximum of 30 days in a year over and above their existing entitlement. It is further stated that in case it is not possible to grant compensatory leave, compensatory payment in form of day's emoluments (pay plus dearness allowances/ /additional dearness allowances) is sanctioned for number of days of leave denied to them subject to such compensatory payment being limited a maximum of 30 days in a year. Respondent No. 1 has further stated that as far as the question of shortage of police personnel is concerned, the matter is pending before the Hon'ble Supreme Court in Writ Petition (Civil) No.183/2013, Manesh Kumar v/s Union of India & Ors. The Apex Court has issued notices to all the States/Union Territories to submit details as regards to the number of vacancies of police personnel in the State and the matter is sub-judice.

3. The case of the Respondent No. 2 is more or less on the same lines as that of Respondent No.1. In addition, the Respondent No. 2 has stated that the grievances of police personnel are heard by the Superiors at all levels including their working conditions, health problem, service matters, etc. and the same are sorted out. Every care has been taken of the physical and mental fitness of the police personnel. It is also stated that the proposals for creation of various posts totally 4629 have been moved to the Government for sanction which, if sanctioned, would improve the working conditions of the police personnel.

4. During the pendency of this proceeding, this Commission directed the Secretary of the Commission to visit and inspect the Old Goa Police

Station in North and Colva Police Station in South along with Under Secretary of the Commission and the Police Inspector attached to the Commission. Accordingly, the Secretary conducted the inspection and has submitted its report.

5. We have heard both the Parties. We have also perused the entire records of this case. On the basis of the inspection report it is apparent that there are certain shortcomings which are indicated below:-

- (i) The Police Station buildings of both the Police Stations are very old, overcrowded and not suitable/sufficient to accommodate the total staff working at Police Station.
- (ii) The strength of Police personnel is not sufficient to cope up with the workload of the Police Stations.
- (iii) There is need to fix the duty timing/working hours of constabulary staff i.e. 08 hrs. shift to resolve the problems of stress, hypertension, diabetics etc.
- (iv) The police personnel at the Police Stations are required to maintain law and order and also investigate the crimes simultaneously. The Police therefore are not able to investigate the crimes effectively, in absence of separate investigating machinery.
- (v) The barracks at both the Police Stations are having less area which is not sufficient to accommodate the staff members.
- (vi) There is no fridge facilities at the Police Stations. There is also no canteen facilities at the Police Stations. The staff members cannot preserve their eatables/food, which they bring from homes, in absence of canteen facilities.
- (vii) The rest rooms for ladies at both Police Stations are very small which is inadequate and affect their privacy.

6. The random inspections of only two Police Stations show that the working conditions of the Police personnel are not satisfactory and require drastic improvements. It is not practicable to this Commission to carry out inspections of all the Police Stations in the State of Goa. We would appreciate if the Respondents would conduct inspections of all the Police Stations in the State of Goa to ascertain shortcomings and take appropriate steps to improve the working conditions of the Police

personnel at the Police Stations, more particularly women Police staff members.

With the above observations, the proceeding is disposed off.

Date: 21-12-2017.

Place: Panaji-Goa.
