SEPARATE AUDIT REPORT OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA ON THE ACCOUNTS OF GOA UNIVERSITY FOR THE YEAR ENDED 31 MARCH 2022

We have audited the attached Balance Sheet of Goa University as at 31 March 2022 and the Income and Expenditure Account for the year ended on that date under Section 19(3) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with Section 27 of the Goa University Act, 1984. Preparation of these financial statements are the responsibility of the Goa University's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, *etc.*, if any are reported through Inspection Reports/CAG's Audit Report separately.

3. We have conducted our audit in accordance with the auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- ii. The Balance Sheet, Income & Expenditure Account and Receipt & Payment Account dealt with by this report have been drawn up in the approved format by the Goa University.
- iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Goa University as required in so far as it appears from our examination of such books.
- iv. We further report that:

A. BALANCE SHEET AS AT 31.03.2022**Assets****Current Assets, Loans, Advances etc. (Schedule-9): ₹ 24.18 crore**

1. The above includes ₹ 77.43 lakh being the amount shown as receivable from University Grants Commission (UGC). The said amount was received from UGC in RBI account during the year 2020-21. However, as the University did not withdraw the amount from the RBI account till 31/03/2021, the same was lapsed as per RBI rules. As the amount was not receivable as on 31/03/2022, the University should have passed necessary adjustment entries in the books of accounts.

This has resulted in overstatement of 'Current Assets, Loans and Advances' by ₹ 77.43 lakh and overstatement of 'Reserve and Surplus' by the same extent.

B. ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

2. A reference is invited to point No.3 of Accounting Policy (Schedule-17) wherein it was stated that Depreciation was provided in accordance with the resolution of the Finance Committee of the University. The University has changed its existing rates of depreciation and adopted (24/02/2023) the rates/method of depreciation as provided in the Companies Act, 2013. The University, however, did not properly disclose the fact of change in depreciation rates/method and the effect on such change in its financial statements, as required in Accounting Standard 5.

Further, the University has provided depreciation on Buildings at the rate of 1.67 *per cent*. The assets classified under Buildings, however, included assets that were to be classified under Electrical Installations & Equipment with depreciation chargeable at the rate of 10 *per cent*. The differential depreciation in this regard could not be worked out in audit for want of details, like the date of acquisition, remaining life of the assets, *etc*.

3. Out of the total area admeasuring 1630218m² of freehold land owned/held by the University, land admeasuring 3500 m² and 2500 m² have been leased out for 99 years respectively to Electronics Test and Development Centre (ETDC) and Bharat Sanchar Nigam Limited in April 2000 and April 1999.

The above material facts, however, have not been disclosed in the Notes to Accounts.

v) Subject to our observations in the preceding paragraphs and matters referred in the Management Letter, we report that the Balance Sheet and Income & Expenditure Account/Receipt & Payment Account dealt with by this report are in agreement with the books of accounts.

vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with Accounting Policies and Notes to Accounts, and subject to the significant matters stated above give a true and fair view in conformity with accounting principles generally accepted in India.

- i) in so far as it relates to the Balance Sheet, of the state of affairs of the Goa University as at 31 March 2022; and
- ii) in so far as it relates to Income & Expenditure Account of the surplus for the year ended on that date.

Principal Accountant General

COMPLIANCE REPORT ON AUDIT OBSERVATIONS ON ANNUAL ACCOUNTS OF GOA UNIVERSITY FOR THE YEAR ENDED 31ST MARCH 2022.

BALANCE SHEET AS AT 31 MARCH 2022.

A. ASSETS

Current Assets, Loans, Advances, etc. (Schedule-9): Rs.24,17,71,405.

1. The necessary adjustment entry for Rs.77,43,210/- will be passed during the F.Y. 2022-23 in the books of Accounts and will be shown in the next Audit. Hence, the para may be dropped.

B. ACCOUNTING POLICIES AND NOTES TO ACCOUNTS
