GOVERNMENT OF GOA

Department of Revenue

Circular

No. 16/58/2017-RD (PF-XIII)/722

Subject: Clarification regarding requirement of Certificate from Directorate of Agriculture for processing applications under Section 32 of the Goa Land Revenue Code, 1968.

1. In the year 2023, the Government brought the Goa Restrictions on Transfer of Agricultural Land Act, 2023 to impose restrictions on the transfer of certain agricultural lands in the State of Goa and for matters connected therewith or incidental thereto.
2. The Act defined "agriculture" to mean cultivation of paddy. Further, "agricultural land" as per the Act means a land which is presently being used for cultivation of paddy but does not include the land which is earmarked for use or purpose, partly or fully, other than agriculture in any plan prepared under the Goa Town and Country Planning Act, 1974 (Act 21 of 1975).
3. Thus, the scope and focus of the Act was to protect certain agricultural land, i.e. paddy land, from being transferred and consequentially used for non-agricultural purpose.
4. However, it was realised that, by circumventing the law, transfers were being made or, even without transfer, lands were being used for non-agricultural purpose by converting the zone of the land. This, in effect, defeated the very purpose of the Act, which is to protect paddy cultivation and prevent its gradual depletion.
5. Therefore, under the Goa Restrictions on Transfer of Agricultural Land Rules, 2023, "plan" as referred to in Section 2(c), was stated to mean the Regional Plan as in force under the Goa Town and Country Planning Act, 1974 (Act 21 of 1975) on the date of commencement of the Goa Restrictions on Transfer of Agricultural Land Act, 2023 (Goa Act No. 18 of 2023), i.e. 18th April, 2023.

6. From a combined reading of the Act and the Rules, it is evident that land would qualify as “agricultural land” for the purposes of the Act only if both conditions are satisfied, namely:
 - a. the land is presently being used for cultivation of paddy; and
 - b. the land is earmarked as agricultural zone in the plan in force as on 18-04-2023.
7. Accordingly, the zoning status of the land as on 18-04-2023 is determinative. Any subsequent modification or change in zoning under the Town and Country Planning framework after 18-04-2023 does not alter the applicability of the Act. This ensures that the protection granted under the Act cannot be diluted even by subsequent planning interventions.
8. Further, to strengthen this resolve, an amendment was made to Section 32 of the Goa Land Revenue Code, 1968 governing conversion of land. As per the amended provision, an application for conversion submitted to the Collector under Section 32 must be accompanied by a certificate issued by the Director of Agriculture certifying that the land is not covered under the definition of “agricultural land” as defined in the Act (Goa Restrictions on Transfer of Agricultural Land Act, 2023).
9. Submission of this certificate is thus a precondition for processing any conversion application. Such certification would, in essence, require verification that the land is not presently being used for cultivation of paddy, which is the core condition under the Act.
10. Thereafter, this Department issued Circular No. 16/58/2017-RD/PF-XIII/3094 dated 21-11-2025 to simplify the process of conversion applications and prevent unnecessary delay. The said circular reiterates that the certificate from the Directorate of Agriculture is a requirement for processing conversion applications, thereby operationalising the statutory mandate.
11. However, it has now been brought to the notice of the Government that there appears to be ambiguity in the implementation of Section 32, more particularly with regard to the requirement of obtaining a certificate from the Directorate of Agriculture. In practice, applicants are approaching the Directorate for issuance of such certificate in all cases, irrespective of the nature of the land. Further, authorities processing conversion applications are also referring all cases to the Directorate of Agriculture, resulting in procedural delays and increased administrative burden.
12. Consequently, applications are being referred to the Directorate of Agriculture even in cases where the land is prima facie “not agricultural land”, i.e. not paddy land. This has led to inconvenience to applicants and is counterproductive to the Government’s objective of ensuring ease of living and ease of doing business.
13. Furthermore, such indiscriminate application is not in consonance with the objective of the amendment and the Goa Restrictions on Transfer of Agricultural Land Act, 2023, which is to protect “paddy land”, and results in over-regulation of cases not intended to fall within its ambit.
14. The Directorate of Agriculture has also, through its communication to this Department, expressed its inability to issue such certificates in all cases and has sought necessary clarification in the matter. The non-issuance of such certificates has further resulted in significant inconvenience to the general public.
15. Therefore, in order to remove the aforesaid ambiguity, the following clarification is hereby issued:
 - a. It is clarified that the objective of the amendment (Section 32 of the Goa Land Revenue Code, 1968) and the provisions of the Goa Restrictions on Transfer of Agricultural Land Act, 2023 is to protect “only agricultural land”, i.e. paddy/rice land under cultivation, and to prevent its conversion for non-agricultural purposes as on the date of commencement of the Act, i.e. 18th April, 2023.
 - b. Form I & XIV/Form D, being statutory records of rights, contain a specific entry under the cultivable area column indicating whether the land is used for rice/paddy cultivation, thereby providing an objective basis for such determination.

- c. Accordingly the requirement of obtaining a certificate from the Directorate of Agriculture shall arise only in cases where the land is recorded as paddy/rice land in Form I & XIV/Form D.
- d. In cases where the land is not recorded as rice/paddy land in Form I & XIV/Form D, no such certificate from the Directorate of Agriculture shall be insisted upon by the Collector/Additional Collector/Deputy Collector for processing applications under Section 32 of the Goa Land Revenue Code, 1968.
- e. In cases where applications are made by applicants or referred by the Collectors to the Directorate of Agriculture, the Directorate shall verify whether the land is classified as paddy/rice land and whether it is presently being used for the cultivation of paddy/rice.
- f. All Collectors, Additional Collectors, Deputy Collectors are directed to strictly adhere to the above clarification while processing conversion applications, so as to ensure uniformity in implementation and to avoid unnecessary delays and inconvenience to the general public.

16. This Circular is issued with the approval of the competent authority.

Porvorim, 5th June, 2026.— The Under Secretary, Revenue-I, *Vrushika P. Kauthankar*.
