STATEMENT OF OBJECTS AND REASONS

The Constitution of India envisages a justice delivery system founded upon the rule of law, access to justice, and the independence of institutions essential to the administration of justice. Advocates, as officers of the Court and integral participants in the judicial process, perform a constitutionally significant role in securing the rights guaranteed under Part III of the Constitution and in ensuring the effective enforcement of legal remedies.

In recent years, there has been an increasing incidence of violence, intimidation, harassment, false implication and damage to property directed against advocates on account of the discharge of their professional duties. Such acts have an adverse effect on the independence and fearless functioning of the legal profession and pose a serious threat to the orderly administration of justice. Interference with advocates in the lawful discharge of their duties ultimately impairs the fundamental right of litigants to legal representation and access to justice.

The Bill aims to create a balanced statutory mechanism that safeguards advocates from targeted violence and harassment, while simultaneously preventing abuse of such protection through appropriate checks and penalties.

This Bill seeks to achieve above object.

STATEMENT OF OBJECTS AND REASONS

The Government of India has undertaken initiatives for reduction of compliance burden and deregulation with the objectives of promoting trust-based governance, improving the ease of living and doing business and facilitating investment-led economic growth. Pursuant to these initiatives, the Government of Goa has undertaken a review of business-facing State enactments and the regulatory processes administered thereunder.

The review has identified provisions and procedures that may be rationalized in order to reduce avoidable regulatory burden, distinguish serious or fraudulent violations from minor and technical contraventions, promote risk-proportionate regulation and self-certification, facilitate transparent and time-bound delivery of approvals and services, and strengthen coordinated and single-window institutional mechanisms.

The Bill accordingly seeks to amend the enactments specified in the Schedule while preserving safeguards relating to public health and safety, worker welfare, educational standards, environmental protection, land-use planning, public revenue and procedural fairness.

The bill seeks to achieve the above subjects.

STATEMENT OF OBJECTS AND REASONS

Land grabbing and the unlawful occupation of land have emerged as a matter of serious concern in the State of Goa. Such activities often involve the unlawful taking of possession of land by deceit, fraud or force and the creation of unauthorised interests or transactions in respect thereof. Recognising the seriousness of the issue, the Government of Goa, by Notification dated the 9th day of September, 2022, constituted a Commission of Inquiry under the chairmanship of Justice V. K. Jadhav (Retd.) to inquire into cases of land grabbing in the State of Goa. The report submitted by Justice V. K. Jadhav (Retd.) observes inter alia that land grabbing activities not only affect the rights of lawful landowners and persons in possession, but also result in prolonged litigation and difficulties in the effective enforcement of criminal law. The Report also recommends the establishment of Special Courts to ensure the expeditious trial and disposal of cases.

It is, therefore, considered necessary to provide for a specialised mechanism for the expeditious trial of offences relating to land grabbing. This Bill seeks to empower the Government, with the concurrence of the High Court, to designate one or more Courts of Session as Special Courts for the exclusive trial pertaining to the activity of land grabbing.

This Bill also contains provisions to remove difficulties that may arise in giving effect to the proposed legislation and to validate actions taken prior to its commencement, which are consistent with the provisions of the proposed Act.

The Bill seeks to achieve the above objects

No additional financial implications are involved in this Bill.

MEMORANDUM REGARDING DELEGATED LEGISLATION

STATEMENT OF OBJECTS AND REASONS

All Group “C” and Group “D” employees of the Government of Goa working in various offices under the Revenue Department, outside Secretariat, holding similar posts, are presently governed and controlled by different authorities. Despite they belonging to Revenue Department their seniority is maintained separately. Also, they cannot be transferred from one office to another within the Department.

This has resulted in administrative related difficulties in the matter of deployment, transfer and movement of employees between different offices under the Revenue Department. There is no effective manpower management and utilisation of available human resources. The existing arrangement also creates practical difficulties in maintaining uniformity in cadre management and in providing suitable avenues for mobility.

Therefore, the Bill seeks to amend Sections 2 and 4 of the Goa Land Revenue Code, 1968 (Act No. 2 of 1969) suitably.

The Bill further seeks to amend Section 38A of the said Code so as to extend the existing time period of 6 months to 18 months for providing reasonable time for applicants to avail benefits of Section 38A.

Clause 6 of the Bill seeks to validate certain appeals, orders and proceedings of the Superintendent of Surveys and Land Records, passed under Section 188 of the Code.

The Bill also seeks to repeal the Goa Land Revenue Code (Amendment) Ordinance, 2026 (Ordinance No. 2 of 2026) promulgated by the Governor of Goa on the 10th day of April, 2026.

This Bill seeks to achieve the above objects.

The following bill which was introduced in the Legislative Assembly of the State of Goa on 31st August, 2026 is hereby published for general information in pursuance of Rule-138 of the Rules of Procedure and Conduct of Business of the Goa Legislative Assembly.

**The Goa Legislative Diploma No. 2070 dated 15-4-1961
(Amendment) Bill, 2026**

(Bill No. 51 of 2026)

A

BILL

further to amend the Legislative Diploma No. 2070 dated 15-4-1961, in its application to the State of Goa.

BE it enacted by the Legislative Assembly of the State of Goa in the Seventy-seventh Year of the Republic of India as follows:-

1. *Short title and commencement.*— (1) This Act may be called the Goa Legislative Diploma No. 2070 dated 15-4-1961 (Amendment) Act, 2026.

(2) It shall be deemed to have come into force on the 10th day of April, 2026.

2. *Amendment of Article 372-B.*— In Article 372-B of the Legislative Diploma No. 2070 dated 15-4-1961 (hereinafter referred to as the “principal Act”),— in Clause (3) and (16), for the words “six months”, the words “eighteen months” shall be substituted.

3. *Repeal and Savings.*— (1) The Goa Legislative Diploma No. 2070 dated 15-4-1961 (Amendment) Ordinance, 2026 (Ordinance No. 3 of 2026) is hereby repealed.

(2) Notwithstanding such repeal, anything done or any action taken under the principal Act, as amended by the said Ordinance, shall be deemed to have been done or taken under the principal Act, as amended by this Act.

STATEMENT OF OBJECTS AND REASONS

Article 372-B was inserted in the Legislative Diploma No. 2070 dated 15-4-1961 with the objective for providing a one-time measure for regularization of encroachment made on comunidade land, by constructing a dwelling house by a landless person prior to 28/02/2014. The provision was enacted to

address the long-standing concerns of such occupants who have been residing in Goa for a considerable period and whose dwelling house constitute their only place of residence. While the said provision safeguards the ownership rights of the Comunidade by ensuring that the benefits of regularization is confined to the extent specified under the law, the comunidade is compensated adequately and the excess land occupied by such occupants is reverted to comunidade.

The period prescribed for submission of application under said Article 372-B was 6 months. However, it has been observed that a significant number of eligible persons could not apply within the stipulated time period due to various constraints.

The Bill, therefore, seeks to amend Article 372-B to extend the existing time period of six months for filing applications to eighteen months and accordingly amend Clause (3) and (16) of Article 372-B.

The Bill also seeks to repeal the Goa Legislative Diploma No. 2070 dated 15-4-1961 (Amendment) Ordinance, 2026, promulgated by the Governor of Goa on 10/04/2026.

This Bill seeks to achieve the above objects.
