**Circular**

No. 16/58/2017-RD (PF-I)/556

Ref. Circular No. 16/1/1/2018-RD/1632 dated 16-08-2018.

It has been observed that in several cases, lands lawfully acquired by the Government of Goa and in respect of which possession has been taken over under the Land Acquisition Act, are not reflected in Government ownership in the land records due to delays or non-initiation of mutation and partition proceedings. This has resulted in administrative difficulties, exposure of Government land to disputes, and instances of unauthorized transactions.

Certain systemic issues have been identified, necessitating the issuance of consolidated instructions to safeguard Government land and streamline record updation. Accordingly, the following instructions are hereby issued for strict compliance by all concerned:

- a. In all cases where land has been lawfully acquired by the Government and possession thereof has been taken, but mutation has not been effected in the revenue records, the concerned land-owning/land-acquiring department shall mandatorily apply to the respective Mamlatdar for effecting mutation, enclosing a copy of the acquisition award, possession certificate (Form III, wherever applicable), and other relevant supporting documents; and in cases where the possession certificate is not available, an affidavit duly sworn by the Head of Office of the acquiring Department confirming that possession of the land has been taken shall be furnished in lieu thereof.
- b. In instances where survey numbers, village names, or other particulars are inadvertently recorded incorrectly in the acquisition award, but the land has in fact been acquired and possession thereof has been taken by the concerned Department at the correct location and the compensation has already been paid or deposited with respect to the erstwhile landowners, the Head of Office of the acquiring Department shall submit an affidavit specifying the correct particulars of the land. Upon verification of such affidavit and records, the concerned Mamlatdar shall effect mutation in favour of the Government and the ISLR's shall carry out partition and make corresponding entries in the land records.

- c. In cases where mutation has already been effected in favour of the Government, the acquiring Department shall co-ordinate with to the Inspector of Settlement and Land Records for issuance of separate partition numbers, as mandated under the proviso to Section 61 of the Goa Land Revenue Code, 1968.
- d. Where land originally acquired by one Department/Division is presently in the possession, control or use of another Department/Division due to transfer, vesting, reorganization or administrative orders, the Head of Office of the Department currently in possession shall submit an affidavit confirming such transfer and authority under which the land is held. Land records shall reflect Government ownership along with the name of the Department presently in possession as Occupant.
- e. Upon receipt of the mutated Land Index Form from the Mamlatdar, the Inspector of Survey and Land Records shall carry out partition and effect the necessary changes in the land records within a period of three months, in accordance with law, upon receipt of a request for partition either from the Mamlatdar or the acquiring Department under Section 61(3) of the Goa Land Revenue Code, 1968.
- f. The ISLR's of the respective Taluka shall finalize the draft Form D/draft Form I & XIV in respect of area acquired by the Government and to ensure that no land which is acquired by the Government or any department should remain pending for promulgation; accordingly, they shall propose the same for promulgation and forward the draft Form I and XIV/Form D to the concerned Deputy Collector for promulgation.
- g. In cases where land was acquired in large blocks during pre-liberation period or prior to assignment/ promulgation of present survey numbers, the Inspector of Survey and Land Records shall conduct field verification and issue an Identification Certificate, correlating original acquisition records, departmental plans and present-day survey maps, based on the boundaries of the acquired portion as shown by the acquiring Department during site verification and upon due identification and verification. The Head of Office of the acquiring Department shall also submit an affidavit confirming the acquisition, taking over the possession, and continued use of the land.
- h. Based on the Identification Certificate and departmental affidavit, the Mamlatdar and Inspector of Survey and Land Records shall proceed with mutation and partition of land records as per law.
- i. In cases where unauthorized partitions, alienations, or sales have taken place due to non-reflection of Government ownership in land records, proceedings shall be initiated under appropriate provisions of the Goa Land Revenue Code, 1968 and steps shall be taken to protect interest of the Government.
- j. Further, in respect of land acquired by the Government and possession of which has been taken, the ISLR's shall undertake confirmation of Government property under City Survey Rule 6(1) directly on the basis of the Land Acquisition Award and/or possession certificate from the Head of Office of the acquiring Department and connected records as the title stands vested in the Government upon completion of acquisition proceedings.
- k. Consequential entries in land records found to be inconsistent with Government acquisition shall be cancelled after following due process, to protect Government interest and remove the ambiguity.
- l. All land acquiring Departments, with the assistance of Land Acquisition Officers shall prepare a comprehensive inventory of land acquisition awards in their custody and identify cases where acquisition plans, award copies, or supporting documents are missing.
- m. Departments shall cross-verify records with the Directorate of Settlement and Land Records, District Collectorates and technical wings of concerned departments to trace duplicate or parallel records that may be available.
- n. Where records are confirmed to be permanently missing, reconstruction shall be undertaken by the acquiring Departments based on verifiable material such as:
  - o Possession reports
  - o Site inspection reports
  - o Current survey plans or resurveyed sheets

- o Affidavits from Heads of Offices
- o GPS-based mapping reflecting present site conditions
- o. All Collectors, Deputy Collectors, Mamlatdars, Inspector of Survey and Land Records and acquiring Departments shall ensure time-bound compliance with the above instructions.
- p. All the Government departments shall keep a proper land bank record of all the Lands/Properties owned/acquired by them village wise.

All concerned Departments/Offices are requested to take note of the above.

This is issued with the approval of the Government.

Porvorim, 23rd April, 2026.— The Under Secretary, Revenue-I, *Vrushika P. Kauthankar*.
